0 of 0 people found the following review helpful. from the peoples republic /the peoples artBy A Customerthis collection of poster art from china is amazing and filled with a mix of the old and new of China.One poster of a little boy getting his firt hair cut holding a rifle to the old still learning,filled with power and craft this book is well worth a look for anyone who likes poster art. The detail descriptions of each poster from its original print dates to original price make this book filled with interesting details. I love the art and ponder the meanings behind the messages.

A oversized collection of 100 amazing Chinese posters from the last century. Focusing primarily on the Mao-era, these images visually explore the values and belief systems upheld by Chinese Communism. An excellent reference tool with beautifully-reproduced images.
