Dr. Robert D. Beeman, John B. Allen : 11th Edition Blue Book of Airguns before purchasing it in order to gage whether or not it would be worth my time, and all praised 11th Edition Blue Book of Airguns:

This new 11th Edition of the Blue Book of Airguns is now 700 pages, and remains the most complete book on current airgun information and up-to-date values ever published. The airgun industry keeps improving its offerings to plinkers, target shooters, and maybe most importantly, hunters who want a viable alternative from firearms to harvest their game. The Blue Book of Airguns is the only publication that includes all the modern airguns, in addition to the hundreds of vintage airguns going back to the late 18th century!
