I was not disappointed with this book as I think you will feel the same way. I would like to note that a few of the newer model inserts were not listed and cards past 1981 werent listed as well. Other than that, this book is a great addition to any collection. 1 of 1 people found the following review helpful. Excellent reference manual By Christmas\_slate I am very please with the setup, clear, concise values of many different makers of baseball

cards. Seems to be a fair assessment of cost.

With a more limited supply of baseball card sets on the market, and 20 of the 30 professional U.S. baseball teams reporting increases in attendance in the last year and a half, there's no doubt that this is your season, card collector. No one understands this better than the staff of Sports Collectors Digest, the voice of the hobby and the experts responsible for the reliable and thoroughly researched pricing you'll find in 2008 Baseball Card Price Guide. This one-of-a-kind modern card reference must-have contains nearly 400,000 cards, including packs and boxes, inserts, parallels and rare variations.
