S McDonald : 2017 US Coin Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised 2017 US Coin Guide:

0 of 0 people found the following review helpful. Just OKBy CustomerBook is hard to use mostly low to mid grade values if you don't mind filling in half the information could be good guide pictures for grades are nicely done

A guide designed for the most accurate coin prices from multitudes of comparative sources. Most coin guides over or

under price coin values and are designed for dealer buying and selling. The advent of the internet sales of coins has prompted the writing of this book. This guide contains photographic grading for all modern day coins.
