From Brand: Sterling : 50 State Quarters Collector's Folder: 1999-2008 Denver Philadelphia Mints before purchasing it in order to gage whether or not it would be worth my time, and all praised 50 State Quarters Collector's Folder: 1999-2008 Denver Philadelphia Mints:

It's a coin collector's dream folder, with a space for every state's newly designed quarters--arranged according to the year each was minted--along with dozens of fascinating facts. When Congress passed the "50 States Commemorative Coin Program Act" in 1997, which led to the creation of quarters honoring every state in the union, its members

especially hoped that young people and their families would collect these memorable tokens. This handy folder will help youngsters realize that goal and hold onto these special keepsakes, which are being released over ten years in the order in which the states ratified the Constitution. In addition to the slots for the quarters, kids will find a description of the Commemorative Coin Program; a history of the United States Quarter Dollar; a list of state capitals, nicknames, mottoes, and more; details on how the 50 designs were chosen; and an account of how coins are manufactured by the U.S. Mint and distributed by the Federal Reserve Bank.
