I even had a chance to have one of the artist's sign it for me after doing demonstrations. Great Coffee Table Book. A+++++0 of 0 people found the following review helpful. It was a great sampler book for us to kindle ideas. We are glass sculptors too. By John Wells great idea book for cultural/glass sculpturing. be cautious though. There is another similar book that has a different cover. It is good in itself, but it is also mistaken with this one and 'I got the same book twice. 4 of 4 people found the following review helpful. Nice selection By jenamate Being a glass artist myself I was very pleased to see a very nice selection of objects that were fundamental in the united states glass movement. Beautiful photos of very interesting and inspiring work.
