Kent McManis : A Guide to Hopi Katsina Dolls before purchasing it in order to gage whether or not it would be worth my time, and all praised A Guide to Hopi Katsina Dolls:

0 of 0 people found the following review helpful. Coming down to his basement work area at the age of 5 and observing these amazing dolls had an impact that informs my own art ..By Broken RobotI grew up in New Mexico and when my mother married my Step Dad I discovered that made kachinas. Coming down to his basement work area at the age of 5 and observing these amazing dolls had an impact that informs my own art to this day forty years later.0 of 0 people found the following review helpful. Very Nice Little BookBy MichaelThis is my first book on the subject of

Katsinam, and I found it to be a wonderful introduction to the topic, with beautiful illustrations. My hobby is woodcarving, and I was planning to copy a few of the simple dolls; now I have a better appreciation of their spiritual significance, and may temper my plans. 1 of 1 people found the following review helpful. A Guide to Hopi Katsina Dolls By Kachina Image This little book is a perfect introduction. Excellent illustrations and simple direct text. I use it everyday as a reference and enjoy the beauty of the images.

Hopi katsinam and the dolls that represent them have fascinated Indian arts trader and author Kent McManis since he was a little boy. In *A Guide to Hopi Katsina Dolls*, McManis shows how the eternal spirit of the katsinam manifests itself in the works of some of the most skilled and inspired Hopi carvers working today. For the Hopi—a communal farming people who reside in stone and adobe villages on and near three Mesas in northeastern Arizona—everything in life is imbued with the sacred. The Hopi attribute their very survival as a people to the katsinam, inhabitants of the spiritual realm who convey prayers to the gods and respond with blessings in the form of rain, bountiful harvests, and plentiful game. In *A Guide to Hopi Katsina Dolls*, more than seventy of the most prominent and intriguing katsinam who appear during the Hopi ceremonial year are described and depicted in full color photographs of both contemporary and historic katsina dolls.
