Tran Duy Ly : Longcase Clocks and Standing Regulators, Part 1: Machine Made Clocks before purchasing it in order to gage whether or not it would be worth my time, and all praised Longcase Clocks and Standing Regulators, Part 1: Machine Made Clocks:

1 of 1 people found the following review helpful. InvaluableBy Noir fanA must have for any collector that has an interest in turn of the century clocks. My only complaint is that although the original manufacturer drawings are great, some colored photographs would be of more assistance in identifying certain models of interest. As far as I know this is the only publication on manufactured long case clocks.0 of 0 people found the following review helpful. Five StarsBy L. Asmanngreat reference book0 of 1 people found the following review helpful. Great book as are all of Tran'sBy D. PilandGreat book as are all of Tran's. I understand he is retiring. Better get his books now!!!! Great resource for the novice and pro horologists.
