BeautifulBy K8This is an unbelievably beautiful book! The photos are very good quality, the information accompanying them is interesting. Also loved the chronology at the end. Very lovely and well done.

More than 350 illustrations, most in color, accompany a close-up look at the seminal influence of Louis Comfort Tiffany on his father's famous company, showcasing the designers extraordinary jewelry, enamels, blown glass,

ceramics, desk accessories, and other objets d'art created during his tenure as the company's design director, as well as at luxury goods created in his own studio. 13,500 first printing.
