**American Quilter's S : Love of Quilts: A Treasury of Classic Quilting Stories** before purchasing it in order to gage whether or not it would be worth my time, and all praised Love of Quilts: A Treasury of Classic Quilting Stories:

0 of 0 people found the following review helpful. Five Stars By C. B. This book contains inspirational and heartwarming stories about quilters and their patchwork quilts. 0 of 0 people found the following review helpful. Nice

stories!By Mary P. RedrickI have read some of this book -- short stories -- I didn't find some of them very interesting, but might just be me.3 of 4 people found the following review helpful. Hard to readBy ConnieI love to read books that give you a historical point of view regarding cloth and quilting. But this book is written in such a way that makes understading the stories difficult. The stories are written in prior time periods, which makes understanding the dialect difficult. I did not enjoy the stories because I could not understand nor follow the stories.

There are more than 20 million quilters in the United States, and 78 percent of dedicated quilters read for pleasure. To reach this vast group, we've expanded our line of quilting books by bringing back "A Patchwork of Pieces, previously published in 1993. "Love of Quilts features twenty-eight entertaining short stories about quilts and quilters collected from the pages of classic magazines such as "Godey's Lady's Book, Harper's Bazaar, and "Good Housekeeping, introducing readers to the captivating worlds of quilters in other times and places. From courtings that nearly go astray to husbands and wives brought together by quilts to quilters obsessed with securing scraps, "Love of Quilts has something for every quilter. Fascinating fiction, these stories also provide important social history. This book also includes a bibliography of quilt fiction and a time line that lists American quilt fiction, plays, poems, and patterns published from 1845 to 1940.
