Subodh Gopal Nandi, Projit Kumar Palit : Manuscript and Manuscriptology in India before purchasing it in order to gage whether or not it would be worth my time, and all praised Manuscript and Manuscriptology in India:

The preservation of manuscripts follows traditional as well as modern methods, which are scientific and preserve documents for further use. In the traditional system of preservation, herbals are used such as neem leaves, aswagandha leaves, dried ginger, kumkum fruit power, sandal wood, termaric powder, garlic, etc... Also covers history of preservation of variety of media throughout Indian history.
