**Jim Gibbs, Joe Williamson : Maritime Memories of Puget Sound, in Photographs and Text** before purchasing it in order to gage whether or not it would be worth my time, and all praised Maritime Memories of Puget Sound, in Photographs and Text:

1 of 1 people found the following review helpful. correctionBy Debbie PedrickPlease note: as the daughter of Jim Gibbs, it should be clarified that the book "Maritime Memories of Puget Sound" was written by Jim Gibbs with input/photos from Joe Williamson.....no they were not a couple, dad was the author of 20+ books.Dad passed away in May of 2010, Joe Williamson many years ago, an update would be appreciated. Thanks much!

With photos from the historical collection of Joe Williamson. 355 old photos of ships, people, and early towns and the text share the magic, nostalgia, and panorama of maritime action on Washington State's Puget Sound, giving the story

of the settling of this vast woodland area.
