You have to keep going back to code page to find the actual page you need. Even though this is a pain, the book comes through with needed information.0 of 0 people found the following review helpful. Outstanding Antique Buyers GuideBy Robert BeansThis is an outstanding and must have book for the avid antique collector and/or dealer to have in his/her library. It is an invaluable source for identifying the origin of those rare German, Bohemian and Austrian Porcelain finds. I found the most current version to be out of my price range; however, if I were an antique dealer, the cost would be well worth it..
