Mary Emmerling : Mary Emmerling's American Country West before purchasing it in order to gage whether or not it would be worth my time, and all praised Mary Emmerling's American Country West:

0 of 0 people found the following review helpful. Five Stars By Renee Wertman I love all of Mary Emmerling's books
1 of 1 people found the following review helpful. Love the Hearts By betty crowe I had owned two copies of this book previously and they both had been destroyed by the same rotti! Was pleased to find it on and I knew what I was getting. Love this beautiful book of hearts. Shipping was fast.
0 of 0 people found the following review helpful. These Hearts have Style! By Sarah A Davis Another great book by Mary Emmerling. I have never been disappointed with any of her books. I give them often as gifts. SHE has a way of capturing great items both visually and with the written word. Timeless!

The paperback edition of the best-seller that celebrates Western architecture and décor. Here are homes built from logs and adobe brick with sweeping views of deserts, grasslands, and mountain peaks, and crafts people whose pottery, furniture, blankets, ropes and rugs rekindle and reinvent the styles of the American West. Full-color photographs.

From the Inside Flap The paperback edition of the best-seller that celebrates Western architecture and décor. Here are homes built from logs and adobe brick with sweeping views of deserts, grasslands, and mountain peaks, and crafts people whose pottery, furniture, blankets, ropes and rugs rekindle and reinvent the styles of the American West. Full-

color photographs.
