Robert W. D. Ball : Mauser Military Rifles of the World before purchasing it in order to gage whether or not it would be worth my time, and all praised Mauser Military Rifles of the World:

0 of 0 people found the following review helpful. Mauser Military Rifles of the WorldBy Joe T.An excellent overview of the famed Mauser rifle in all its variety and issue. The text format can sometimes be difficult to follow owing to the way the pictures are laid out but all in all an excellent reference for the collector.3 of 3 people found the following review helpful. The perfect book for those collecting Mauser military rifles.By ThomasI find this book both useful and entertaining. There is a wealth of information on the history rifle and loads of fantastic photos of the many variations of the gun. I particularly like the open pages that indexes the guns by the countries making it easy to look up the rifle of choice and explore future possible purchases.This is a must for the Mauser lover no matter if they are the avid collector with dozens of rifles or just someone with only one gun who is looking to explore the history of their prized

shooter.0 of 0 people found the following review helpful. Five StarsBy RONALD SCOTTvery nice book on Mausers!

This country-by-country review of Mauser rifles has become the classic reference for military weapons historians and collectors. Now, even more fascinating information and photographs on the highly sought-after Mauser rifle have been uncovered and added to this edition. This expanded third edition features 32 pages of information on the early blackpowder Mausers and an additional 16-page colour section, including photos of rare Argentinean Mausers that were recently discovered. Numerous updates, expanded listings and more than 1,000 photographs make this a must-have reference for Mauser fans.

About the AuthorRobert W D Ball is an acknowledged authority on antique military rifles and memorabilia. He has authored a dozen books and travels the world in search of items to add to his collection.
