**Barbara Mauzy, Jim Mauzy : Mauzy's Depression Glass: A Photographic Reference and Price Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mauzy's Depression Glass: A Photographic Reference and Price Guide:

5 of 5 people found the following review helpful. I love itBy Linda RThis is a complete book on depression glass of all patterns. I like that this book also gives the history on the different depression glass items. The color pictures are beautiful. I am a beginner collector and depend on this book when shopping for antiques.5 of 5 people found the following review helpful. Mauzy's Depression Glass, 2011 Ed.By patandmikeThis book comes at a welcome time. It's a fun and interesting book to look through and shows the expertise of and extensive research done by the authors. Depression Glass is hard to put down. The layout is superb having plenty of (color) photos, item sizes, likely values, great coverage of glassware patterns and a table of contents as well as an index plus a bibliography and list of

reference websites. The book is made well and should take years of use with little wear. The long-time collector and beginner will appreciate this book.0 of 0 people found the following review helpful. Wonderful pictures!By G. CurtisThe photographs in this book are wonderful. I have been able to identify sugar and creamer pieces readily, as almost every piece is represented for each pattern in its text.

Barbara and Jim Mauzy are known for user-friendly books that deliver the history, identification information, and values in a format that makes them unparalleled tools if you are buying, selling, or maintaining a collection of vintage glassware. This seventh edition of Mauzy's Depression Glass, the world's most used and authoritative book on Depression Glass from the United States and Canada, vintage Fire-King, and 1940s and 1950s glassware, provides more than 350 new photos and continues to be the most comprehensive book in print pertaining to collectible glass. This seventh edition also adds 220 additional pieces to the patterns previously featured in the sixth edition, while providing accurate measurements, current values, a huge amount of up-to-date reproduction information, and two newly-included patterns.

About the AuthorBarbara and Jim Mauzy are world-renowned authors on the twentieth century American kitchen. Their expertise on this topic and ability to create user-friendly books has propelled the most popular and comprehensive book on Depression Glass to even higher standards.
