DJ Williams : Mercantile Gatherings Magazine: Fall 2016 (Volume 12) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mercantile Gatherings Magazine: Fall 2016 (Volume 12):

Mercantile Gatherings Magazine Fall issue features a loving restoration of a Lewisburg, PA farmhouse, and a snapshot of the serenity of Shaker charm in an Indiana farmhouse style home. We'll also take you from the grist mills of the Smokies, all the way back to the sweet blessings of Granny's old store, with a hint of primitive history and recipes for preserving and decorating your primitive home.
