Values are in british pounds but the neat bookmark included with the book has a currency converter on the bookmark so its easy to see what the items are worth in u.s. dollars. I highly recommend this book to anyone dealing in antiques or to the collector.0 of 0 people found the following review helpful. Miller's.....By Barbara A. FallettaThis book is OK, but it is not up to the standards of Miller. I have many of her books to which I can compare it.
