This ever-popular series has been completely updated with new prices to reflect recent market trends. The Miller's Antiques Checklist series of fully illustrated pocket guides makes the world of antiques accessible to a wider audience than ever before. Each book provides a simple question-and-answer checklist for a broad range of representative items, telling the collector what to look for, and how to distinguish between the genuine article and a fake, or a copy. All items are given a dollar price range. These information-packed books provide a superb introductory course for the beginner and a refresher course for those who already have collecting experience.
