Jill Bace : Miller's Collecting Silver: The Facts At Your Fingertips before purchasing it in order to gage whether or not it would be worth my time, and all praised Miller's Collecting Silver: The Facts At Your Fingertips:

1 of 1 people found the following review helpful. Silver InfoBy DogAndSwanI find a lot of not really useful info about silver on line. And I have a small collection of books that mostly deal with the marks on silver, but this book is a really good survey of all the kinds of pieces that are out there if you're just an ordinary person who goes to sales and thrift shops and auctions.

This guide to collecting silver shows readers how to spot fakes, assess condition and value, and highlights the main

collecting categories.
