Constance Jefferson Sansome : Minnesota Underfoot (Midwest) before purchasing it in order to gage whether or not it would be worth my time, and all praised Minnesota Underfoot (Midwest):

0 of 0 people found the following review helpful. Five StarsBy Sicnarf2Excellent condition! I am very pleased.0 of 0 people found the following review helpful. Good BookBy P. MulloyThis is the book for explaining Minnesota geography and i like to take it with me as i travel around the state.1 of 1 people found the following review helpful. A gift for my fatherBy jvphMy dad loves science and "nickel knowledge" so usually for his birthday I buy him a book that hopefully applies to both. He loves the book and started reading it that evening.

Hit the road with Voyageur Press. From sea to shining sea, Voyageur has the illustrated travel and regional interest titles your customers want, whether for travel planning or keepsake. So plan ahead and create a travel showcase and promotion--including our books--geared towards the traveler; and you won't be disappointed with the results.

". . . an excellent guide to the state's outstanding geologic features. . . . Sansome is that rare scientist who knows how to make this stuff accessible to non-specialists." -- The Northfield News
