**A. Melitonyan, P. Tskanov, A. Larina : Moscow in Old Postcards: 1895–1917** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Moscow in Old Postcards: 1895–1917:

Featuring postcards from a bygone era in Moscow history, this collection reviews the more than two decades preceding the Bolshevik Revolution, when visitors to the Russian capital sent home correspondence as mementos of their stay in the amazing city. Nearly one hundred years after this golden age in the history of postcards, these

ephemeral bits of history are being appreciated anew for their artistic, historic, and social importance.
