By J DGreat book, great tips, the only reason that I did not give it five stars was that the series were confused and pictures for one were in the lists for others. I recommend this book for anybody that is looking for great way to start pin trading and wants to learn the basics. 3 of 3 people found the following review helpful. Hard copy good, kindle version not By Kathleen K ErvineThe hard copy book was as expected but the kindle version was difficult to read , photos didn't match captions and impossible to navigate. 2 of 2 people found the following review helpful. Nice book. By Ann HewittThe book has a lot of very helpful information on the pins and pin trading in general. I was disappointed that the book is in black and white. Some pins are alike and unless you have a color picture it is hard to tell them apart.

About the AuthorThe Mouse Pin Trading team was formed from a mutual obsession in Disney Pin Trading. The fact that 2 families can get to know each other through trading Disney Pins, reach the conclusion that there was not enough information available for the new (or seasoned) pin trader, and write a book to remedy the situation speaks volumes to the social power of Disney Pin Trading. The Edgar family has been trading Disney Pins in Walt Disney World and Disneyland for over 9 years, with multiple visits to Disney Parks in most of those. Pin trading has become the center point of our Disney vacations and each pin in our collection brings us back to who we met and where we were when we traded each pin. Not living close to the parks meant that we had to be better prepared and better informed than most pin traders to get the most of our time at Disney. We have met some amazing people through Disney Pin Trading and we thought it was time to share the experience with everyone. Together with the Shilensky family, we have put together every nuance, tip and trick we have learned about Disney Pin Trading. We hope that this amazing hobby becomes a touch point for your family vacation memories like it has for ours.
