Mr. Edward A. Mero : Museum Quality: Fine Art for Art's Sake before purchasing it in order to gauge whether or not it would be worth my time, and all praised Museum Quality: Fine Art for Art's Sake:

0 of 0 people found the following review helpful. There were some beautiful paintings included in this book By Joan Smith I thought this book was a hardcover, but it was not, so I returned it, I would have kept this book if it had been a hardcover. There were some beautiful paintings included in this book. 0 of 0 people found the following review helpful. Five Stars By zoila I'm a fine art photographer what a source of inspiration!. Thank you 0 of 0 people found the following review helpful. Five Stars By zhen weng good

Is the term, museum quality, overused? Not when it applies to works of art that truly meet the definition. Museum quality is used to describe works of such high caliber and importance; they are included in the collections prestigious world-class museums. These works of art have been deemed to warrant a place in the pantheon of art history, so they

can be shared with present and future generations. This book explores many different works of art, both original masterpieces and expert copies, and the artists who create them --all within the context of the museum quality designation. Featuring Ten World Class Museums and 400 Color images. www.Museumqualityfineart.com

About the Author Author and art dealer Ed Mero of Prestige Fine Art. Ed Mero has been immersed in the world of museum quality art and fine art recreations for more than 20 years. Along the way, he has accumulated many wonderful stories about artists, collectors, and the works of art that bring them all together. His fascinating journey-- from pioneer to the nation's foremost producer of affordable, top-notch recreations of world-famous museum paintings illustrates why collecting these "masterpieces of masterpieces" makes perfect sense. Edward Mero is an internationally recognized art dealer with a creatively driven passion for the arts. Born in Alaska, he is co-author of *The Secret of Freedom*. He lives in South Florida and maintains a residence in New York City, but his expansive approach is inspired by the world at large.
