**From Frances Lincoln : Victoria and Albert Museum Pocket Diary 2013** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Victoria and Albert Museum Pocket Diary 2013:

0 of 0 people found the following review helpful. disappointed By britt allcroft I, m a loyal buyer and visitor re the VA but this year's diary really disappointed me. The size is too small (I was expecting the same size as this year's diary which is perfect), the quality is not as good and the reproduction of images likewise. Love the VA but not this 2013 diary.

Fashion and glamour go hand in hand and the Victoria and Albert Museum Pocket Diary 2013 celebrates ball gowns by British designers between 1948 and 2012. Using contemporary fashion photographs, designers' concept sketches and drawings, as well as the gowns themselves, the 2013 diary is a feast for the fashionista.
