Fredda Perkins : Wall Pockets of the Past: Collector's Identification and Value Guide before purchasing it in order to gauge whether or not it would be worth my time, and all praised Wall Pockets of the Past: Collector's Identification and Value Guide:

0 of 0 people found the following review helpful. Great variety of wall pockets explained By Martha Jones This book is more complete and varied than other titles. And is not dominated by the works of a single maker or pottery. Pictures are good and captioned. Values are probably out of date due to publication date. 0 of 0 people found the following review helpful. Five Stars By Melissa Ball I love it. Just what I wanted. 0 of 0 people found the following review helpful. As advertised By naturesson Got just what I wanted.....arrived promptly, in good condition and had most of the info I wanted. Good photos and pricing info even if it was a bit dated.
