Warmans Little Golden Books Field Guide: Values And Identification - GREAT!!!By BookwormThis is an absolute must-have for the serious Little Golden Book collector! If you like to know how much the LGBs are worth, THIS is THE book!! Don't get ripped off by sellers (such as EBay) or by sellers at flea markets/garage sales who may be asking too much, and you can talk to them to talk down the price! (I did, and it works!) This book will tell you exactly how much the book is worth.

The same Little Golden Books that were cherished by generations of young readers now top more than one billion copies and are today's hot collectibles! Warman's Little Golden Books Field Guide fuses expert information with 550 color photos to create an outstanding resource for collectors of everything Little Golden. Collectors of all ages will appreciate this handy resource for its easy-identification of classics like *The Poky Little Puppy* and *Three Little Kittens*, plus modern issues including the Disney line and popular Little Golden Activity books. Secondary market price listings, plus history about the company, give readers all the details they want, in a quick and compact format!
