**Denise Rago : Warman's Roseville Pottery: Identification and Price Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Warman's Roseville Pottery: Identification and Price Guide:

0 of 0 people found the following review helpful. I found this book to be not only incredibly informative but also is full beautiful and detailed photographs of Rosville's many cBy Patricia O'TooleAs a beginner collector of Roseville pottery, I found this book incredibly informative and full of hundreds of beautiful and detailed photographs of Roseville's many collections. I would highly recommend this book to anyone collecting Roseville pottery. Not only does it help you learn how to identify authentic Roseville from fakes, but also lets you see the many pieces that are available in each collection, making it easier to decide which pieces you would most like to search for and purchase. The pricing guide is also extremely helpful.0 of 0 people found the following review helpful. Excellent Resource!By CustomerI love it! The illustrations are amazing. This will greatly improve my information on Roseville Pottery.I am a

potter so I will also use it for inspiration. Thank you.0 of 0 people found the following review helpful. Good information about Roseville historyBy Elle GreeneGood information about Roseville history. Lots of colored pictures and prices. I liked that it gave numerous pictures of the many Roseville lines such as the Futura and Moderne lines which I am particularly found of. I recommend it to the Roseville enthusiasts.Elle

\*Originally an affordable pottery popular with middle class America - now a top collectible category - with pieces selling for \$100 - \$11,000 at auction This highly sought after collectible pottery was affordable and plentiful in its heyday, and inside this comprehensive Roseville reference you'll discover all the details needed to make the most of your collecting, whether you're a seasoned collector or just getting started in the hobby. With 1,800 color photos, an introduction to Roseville, history of the company, updated market report and a compendium outlining proper procedure for caring for the pottery it's clear this guide is unmatched in depth of data.
