Five Stars By Williamgreat reference book 3 of 4 people found the following review helpful. watch books By Charlie TD Chan The annual watch books are very informative. Both books are different in their presentation, however, they both provide valuable information about the companies as well as their histories. Current information on the latest watches (i.e. type, material used, cost) are also valuable to the readers in terms of future purchases and comparisons.

Now in its tenth edition, Watches International has been setting the standard for up-to-date reference guides devoted to luxury timepieces. At more than 700 pages, this volume showcases the latest watches from around the world from every major watchmaker.

About the Author Tourbillon International has published five consecutive volumes of Watches International and remains an expert in the field.
