Stuart Leuthner : Wheels: A Passion for Collecting Cars before purchasing it in order to gage whether or not it would be worth my time, and all praised Wheels: A Passion for Collecting Cars:

1 of 1 people found the following review helpful. Wheels:A Passion For Collecting Cars.By Jose LopezGood Book not just a Pictorial but good stories,I had it on my list to get for awhile finally got it and I am not disappointed,Good and affordable read.Specifically Got it for the Oldsmobile-Elva-McLaren of Bruce McLaren on the cover from the Matthews Collection. There are some great McLarens in here,Not much Corvettes is my compliant and one story/one owner talks about something to the affect of not Working for Big Corporations(Irony is he leads one.Hypocrisy.)As well as quoting the phony Author/Wannabe Hell's Angel and so-called Journalist Hunter S Thompson and The last Chapter which is on Hideous Bubble Cars and tiny little things that should not be called a Car.Also,sometimes the book loses focuses and rambles on in one chapter on A owner's Wine facility.(The book is called Wheels.)Overall a decent priced and nicely done book on Car collections.1 of 1 people found the following review helpful. 4 WHEELS OF ELEGANCEBy mark stambalA BEAUTIFUL TOUR OF THE COLLECTING WORLD. WELL PRESENTED

AND THE WRITING BACKS IT UP. NOT TOO TECHNICAL, IT MAKES ONE GO TO CAR MUSEUM JUST TO SEE THE METAL EYE CANDY. LIKE THE PETERSON, BLACKHAWK OR NETHERCUTT. ALL IN CALIFORNIA. SPARKS NEVADA, ALSO.THE PHOTOS ARE EXCELLENT AND OFFERED FROM A SLIGHTLY DIFFERENT PERSPECTIVE. I WAS A CREW-MEMBER ON A WINNING SHOW CAR MANY YEARS AGO AND APPRECIATE WHAT EACH OF THESE OWNERS GO THROUGH TO MAINTAIN THIS LEVEL OF PREPAREDNESS.THE COMMITMENT LEVEL IS EXTREME AND THE BOOK CONVEYS IT WELL. I JUST LOANED THE BOOK TO A FRIEND TO EDUCATE HIM A LITTLE. HE HAS A DULL LIFE, BUT LOVES CARS. THIS BOOK MAY DO IT; GIVE HIM A THIRST FOR KNOWLEDGE IN THE AUTOMOTIVE FIELD. AND A FEW MUSEUM VISITS.ONE SHOULD REALLY STUDY THE SECTION ON MICRO CARS. I FIND IT FASCINATING. "SMART CARS" HAVE BEEN AROUND A LONG TIME.I OWNED A BMW ISETTA FOR A SHORT TIME IN COLLEGE. TERRIFYING, ESPECIALLY DOWNHILL. WORSE THAN MY M.G.THE BOOK'S TITLE SAYS IT ALL; IT IS A VERY PASSIONATE AND PERSONAL FIELD. NOT TO MENTION VERY EXPENSIVE. THIS MAKES THE BOOK AN EDUCATIONAL VALUE, TO ME.0 of 0 people found the following review helpful. way too much moneyBy rick degagneGordon Apker is featured in this book, and Ive been to his collection many times. He is an AWESOME DUDE !

Hundreds of full-color illustrations offer a tour of some of the world's greatest privately held automobile collections, including profiles of each individual car enthusiast.
