THIS IS NOT A 2013 COPYRIGHT! THE LATEST COPYRIGHT YEAR STATED ON THE INSIDE OF THE BOOK IS THE YEAR 2001! It is a good reference in the likes of Coke Collector's Books by B.J. Summers and Allan Petretti. However, the title in may or may not be stating a re-release but doesn't really specify it. This book's latest copy right on the inside of it states 2001 is the latest. So the title, and May 30, 2013 next to the title can be misleading. Therefore, I could only give it 3 stars. As far as I know, I good new Coca-Cola Collector's Price Guide has not been issued by these 3 authors in over 10 years.0 of 1 people found the following review helpful. This excellent reference for anyone interested in the wondrously broad range of Coca-Cola collectibles is now in its newly revised fourth edition! This book is filled cover-to-cover with approximately 2,000 bright, color pictures of the most sought-after Coca-Cola products ever made, from advertisements, trays, and bottles to haberdashery, jewelry, and amazing one-of-a-kind novelties, all with updated prices reflecting today's market. From its earliest offerings to a modern-day selection, Coca-Cola is well represented by this definitive text, which includes many of the rarest pieces from within the Coca-Cola Company's own archives. A useful and gloriously beautiful book!
