Collectors of world coins and currency are enjoying the benefits of increased availability of coins and paper money

from around the world; and with that comes the need for quick access to reliable information. "World Coins Currency" helps collectors make successful on-the-spot decisions, using: more than 700 detailed color photos for quick and accurate identification of coins and currency; detailed listings to help new collectors increase their knowledge of the hobby and assist experienced collectors in expanding their collection; tips for detecting counterfeit pieces, while saving collectors from costly collecting investments. Perfect for collectors to purchase as a handy reference, this new addition to the "Warman's Companion" series also makes a great gift for serious or casual coin and currency collectors.
