Five StarsBy Andre Johnmus have for collectors - lots and lots of pictures3 of 6 people found the following review helpful. great bookBy Bassam Mohd HussainI am very pleased with the book as it covers most of the brands with a realisic price list that you can relate to when buying a watch. the problem arises from the fact that it relates to 2004 watches and it is called 2005,so if you are buying a new watch you

will not know the price until it is too late. I have the 2006 book (2005 watches) now and it is a great reference book to have

Every year brings hundreds of new wristwatch designs, with aesthetic and mechanical changes and improvements, limited edition watches, and new producers keeping this field exciting for collectors. Following the success of last year's book, this new annual features over 1,700 of the world's most luxurious wristwatches and provides color photographs and complete specifications for each watch. With Wristwatch Annual, collectors have a wealth of information close at hand: The book is arranged alphabetically by producer, and within each producer's section are specifications and materials for each watch, including price, movement, special features, complications, casings, dial, band, and available variations of a particular model. The elegant photography and layout will encourage people to peruse the year's offerings watch-by-watch for aesthetic appeal as well. The range of styles, from classic to modern, reflects the inclusive nature of this book, which watch collectors the world over will find both a handy reference and required reading.
