Ulric of England : WW2 German Military Timepieces: v. 2: The Seasoned Collectors Guide to Collecting

before purchasing it in order to gauge whether or not it would be worth my time, and all praised WW2 German Military Timepieces: v. 2: The Seasoned Collectors Guide to Collecting:

0 of 0 people found the following review helpful. Buy volume 3 and skip this one By Quintin Trammell Volume 3 is all you need. unless you just want the full set, buy volume 3 and skip volumes one and 2. paperback and of no real help.

Volume 2 from the collecting series addresses the complex timepiece numbering system employed by the German forces. Detailed evaluation tables provide a means to date and serial-number individual timepieces: a significant breakthrough. Volume 2 combines excellent photography with incisive text: a great tool enabling novice and seasoned collectors to collect with confidence.

About the AuthorUlric of England is an independent company, specialising in British German military artefacts, collection conservation and military associated publications. Founded in 1976 by historian Ulric Woodhams, today, the Ulric of England name is an authoritative voice, synonymous throughout the World for the fine, the unique and the beautiful. Ulric of England offers over 20 specialist militaria collecting categories, with several departments, including WW2 German Military Timepieces (watches clocks), distinguished leaders within their field. The original Company ethos; to conserve military heritage, continues to underpin the Company today. Scholarly publications, research, collector - and collection conservation services, provide novice and seasoned collectors, museums and auction houses, access to unrivalled experience and know how. www.ulricofengland.com
