Paid CustomerFilm, and Movie material, lifetime, HBO, Showtime, a novel made for Hollywood, the big screen, broadway! This is an unique book based on a true story, that will have you wanting more, a 'You Are The Father' part 2.1 of 3 people found the following review helpful. You Are The FatherBy bookwormI really enjoyed reading this book. The people were so real to me. I

felt like they were my friends. I could relate to Chanel on so many levels. The book represents the attitude of so many women today. Women will do everything humanly possible to hold onto their man. My sistas will fight each other, rather than hold the man accountable for their actions. The book evoked so many different emotions in me as I was reading it and reflecting on my past relationships. I laughed, I cried, and many times my sistas made me angry and got on my nerves. I also came to a better understanding of men like Goldie. I think he really loved Chanel, but he had his own demons that he was fighting. NOBODY EVER TAUGHT US TO LOVE....WE MUST FIRST LOVE GOD, AND OURSELVES....THEN WE CAN TRULY LOVE OTHERS.

Based on a true story! This Manuscript is a dramatic, fascinating parable of love, deception and infidelity. Exemplified and well revised by Author Michelle Harbin, she ignites an intense flame on a topic that plagues our nation of young men, women, and children, which is "Multiple Partner Fertility". The majority will not challenge this issue because of the ramifications. Countless citizens from every ethnic group have been through this same adversity, and will not reveal it as a crisis or a imitation of their own lives. These actions are normally associated with their surroundings and (MPF) becomes a vicious cycle. The main characters William Done, Chanel Harrington, and Hanna Benson are involved in love triangle that gets very atrocious. William leaves Hanna for Chanel and their hopeless lives begins to escalate out of control. Hanna desires to get her man back and undoubtedly will stop at nothing until she seeks vengeance on both of them. Mr. Done has numerous children by seven different women. The trivial lies and games he plays with them catches up with him in the long run. The readers will take a distinctive journey through the chronicles of a man and two women playing in a world of complex romance and affairs. You are the Father! Collectors Edition is an interesting read that will help everyone identify with the reality about various relationships. A very dynamic, captivating novel with viewpoints that everyone can relate to or gain knowledge from .
